BLM3520
Introduction to Mobile Programming
Assignment -2
(Due 05/04/2018 until 16:00)

!!!!SUBMIT YOUR ASSIGNMENT VIA AN E-MAIL (The presentations will start on Thursday at 14:00 in D-B26)

You should prepare an Android mobile application, namely QUIZ.

Your application should have

- Login Screen (check true/false attempts)
- Personal Info Screen (display/update personal info and begin test button)
- Category Screen (list at least 4 categories)
- Question List Screen (show at least 10 questions about selected category, use RecyclerView)
- Question Screen (display the question and related choices)
- Result Screen (the number of correct/wrong answers and questions with no answer)

ATTENTION

- You should prepare **a zip file consisting of source files and upload it to a cloud storage and then** submit the link via an e-mail to amac@yildiz.edu.tr.
- For e-mail subject and attached file use your stdid.
- E-mail Subject: **BLM3520_Assignment_2_11011002**
- Your Filename: **11011002.zip**
- Assignments that don't comply with submission rules will NOT be evaluated. "NO EXCEPTION"
